wiptova™
CONNECTED TO QUALITY

BUSINESS BROCHURE

The Backbone of Electrical Safety.

WIPTOVA offers a reliable. range of Rigid uPVC Electrical Conduit Pipes and Fittings, thoughtfully designed to provide strength, durability, flexibility and dependable protection for modern electrical installations.

- Durable & Reliable Design
- Fire Retardant & Safe
- Strict Quality Control
- Trusted Performance
- High-Quality Manufacturing

Wiptova™
CONNECTED TO QUALITY

(An ISO 9001: 2015 Certified Company)

About Us

Connecte with Quality

In a world driven by energy and innovation, WIPTOVA is focused on creating reliable electrical solutions that support better performance, lasting quality and a smarter future

Our Beginning

Founded in 2024, WIPTOVA was created with a vision to build a legacy of trust, technology and transformation. From the beginning, our focus has been on delivering reliable electrical solutions shaped by quality, innovation and dependable performance.

1

Our Philosophy

At Wiptova, we believe electricity is more than just current it's the heartbeat of modern development Every conduit, fitting, and protection system we produce carries not just power, but possibility driving growth in industries, illuminating homes, and shaping a brighter tomorrow.

2

Our Commitment to Quality

Quality at Wiptova isn't just a standard it's our identity. Our products are engineered with precision, built to perform better, last longer, and deliver Juncompromised safety. Through continuous innovation and rigorous testing, we ensure that every product reflects the strength and reliability India is known for.

3

Our Mission

Our mission is to deliver reliable and high-quality electrical conduit systems that ensure safety, sustainability, and customer satisfaction. Through advanced manufacturing, innovative technology, and strict quality standards, we strive to build products that perform consistently, last longer, and contribute to a safer and more efficient electrical infrastructure for industries and communities worldwide.

Our Vision

Our vision is to become a leading national brand in the electrical industry by delivering safe, durable, and eco-friendly solutions powered by innovation, advanced technology, and trust. We aim to set new benchmarks in quality, reliability, and sustainability, expand globally, and create a future where Indian excellence meets and exceeds international standards.

Our Core Values

At WIPTOVA, we build our foundation on innovation with integrity and a strong commitment to quality Through continuous improvement, advanced technology. and a customer-centric approach, we deliver reliable, sustainable solutions, fostering trust, excellence, and long-term partnerships that drive mutual growth and lasting success.

PVC CONDUIT & WIRING ACCESSORIES

ISI Certified · Premium Quality · Durable PVC

Our Products Are Available In Three Quality Grades:

Light (LMS) | Medium (MMS) | Heavy (HMS)

PVC Conduit Pipe

Provides smooth and organized wire routing with excellent insulation, ensuring reliable performance and long-lasting protection against moisture, heat, and physical impact.

Conduit Bend (Elbow)

Enables safe and effortless wire direction changes while maintaining exceptional durability, flexibility, and resistance to wear for long-term performance.

Coupler / Adapter

Securely connects conduit ends for stable, reliable, and leak-proof electrical installations, ensuring enhanced protection, durability, and long-lasting performance.

Junction / Circular Box

Offers secure and organized wire connections and branching while providing excellent protection against dust, moisture, and external damage for dependable performance.

Saddle / Clamp

Ensures firm and reliable wall or ceiling mounting with easy installation, offering a clean, durable, and professional finish.

Flexible Conduit

Provides flexible, durable protection for wires, ideal for movable, concealed, or space-restricted wiring.

Products are available in 4 colors

Locknut & Bush

Neatly secures conduit terminations, preventing wire wear and providing a smooth, safe, and professional finish.

Inspection Bend

Provides convenient access for inspection, cleaning, and maintenance through a curved conduit bend safely.

MOUNTING & SUPPORT ACCESSORIES

Sturdy · Easy to Install · Long-Lasting

Our Products Are Available In Three Quality Grades:

Light (LMS) | Medium (MMS) | Heavy (HMS)

Switch Box (Metal / PVC)

Modular switch housing designed for secure fitting and long-term durability.

Modular Plates

Sleek and durable plates for smooth switch and socket installation.

Surface Box

Ideal for surface wiring applications, ensuring quick and reliable installation.

Cable Clips

Securely holds wires in place for clean and organized layouts.

Raceway / Duct

Provides efficient cable management with easy access and neat arrangement.

Rawl Plug & Screw

Reliable mounting accessories for firm and stable fixture installation.

Slip Type Bend

lip-fit bend enabling smooth conduit direction changes and secure, reliable wire routing.

Slip Type Long Bend

Extended bend reducing wire strain ensuring smooth directional conduit transitions overall.

Moulded Bend

Durable factory-moulded bend ensuring consistent curvature and reliable conduit alignment.

FUTURE PRODUCT RANGE

COMING SOON

At Wiptova innovation never stops. Expanding our portfolio to power every need, we are soon introducing an advanced range of products designed for performance, safety, and reliability.

WIRING ACCESSORIES

- *Switches, Sockets, Holders*

LIGHTING FITTINGS

- *LED Panels, Street Lights, Battens*

POWER DISTRIBUTION COMPONENTS

- *DBs, MCBs, RCCBs*

CABLES & CONNECTORS

- *Copper and Aluminium Range*

Wiptova is evolving to deliver complete and reliable electrical solutions for every application, from homes to industries. With our deep commitment to quality and innovation, we are introducing a new range of products designed to offer enhanced safety, superior durability, and modern performance standards. Each product reflects our promise of trust, precision, and long-lasting value. As we move forward, Wiptova continues to power spaces with smarter, stronger, and more efficient electrical solutions ensuring reliability today and inspiring progress for tomorrow.

Heavy Duty

Ensures Safety

Fire Retardant

Easy Installation

High Tensile Strength

wiptova™

CONNECTED TO QUALITY

At Wiptova, we believe electricity is more than a utility it is the foundation of growth, comfort, and connection. With a commitment to quality, innovation, and safety, we engineer electrical solutions that are reliable, durable, and made for the future.
